

350 California Schools Want Salad Bars

Join the United Fresh Foundation, produce industry colleagues and business leaders from across California to support *Let's Move Salad Bars to California Schools*.

Our goal: 350 salad bars for California schools by May 15, 2013, announcing the donation at United Fresh 2013 in San Diego.

Salad bars make it easy for schools to serve a wide variety of healthy, fresh produce.

With a national epidemic of childhood obesity, the produce industry is uniquely positioned to ensure our kids have healthy fresh fruits and vegetables at everyday at school.

Let's inspire the next generation of California's produce consumers.
